

PROCEDURES FOR OBTAINING AN ONLINE VISA

To obtain an online visa, follow these steps:

- Go to www.snedai.com and fill in all the requested information.
- Save the application receipt and email it to the CNPS institutional protocol officer at the following address: s.kei@cnps.ci
- The receipt will be forwarded to the territorial surveillance department for processing and validation of the application.

NB1. The application receipt must be sent to the email address provided at least three weeks before the date of entry into Ivorian territory.

NB2. You will be asked to provide a vaccination record certifying that you have been vaccinated against yellow fever. If you do not have one, a service is available at the airport to administer the vaccine.
